- Waders of different sizes for use in instream work
- 8ft tall A-frame ladder
- Canopy tents without leaks - please speak to a staff member for specs.
- Extendable pruning hook/saw
- Pruners/loppers
- Heavy-duty shelves or high-quality mountable cabinets (not bookshelves, please see Jess@wlr.org for details)
- Internal frame backpacks for backpacking
 - medium waist belt and torso sizes
 - Large (torso size)
- 2-person lightweight tents-3 season
- Mummy style or tall sleeping bags rated to 15-20 degrees.
- Trucks and hybrid sedans – Please contact staff for discussion of exact specifications.
- Truck bed covers for current trucks – Please contact staff for discussion of exact specifications.
- A 6'+ roof box (ie Yakima or Thule)
- Rotary hammer
- Gently used climbing equipment, such as cams and other anchors
- A greenhouse box or small cold frame hoops
- Stihl/Husqvarna chainsaws and other associated tools and PPE
- Post hole diggers
- Angle grinders and/or other power tools + any corresponding batteries that are in good shape
- Outdoor (weatherproof) lockable storage bins
- Trailer locks
- Small eco-washer for kitchen towels (please see Jess@wlr.org for specs, we have one in mind)
- Hand tools that are in good shape and are tough: shovels, metal tine rakes, rock bars, axes, pick mattocks. We may not be able to accept all items, but if you send a photo, we can tell you if we need those specific tools.
- Portable light weight generators
- Tarps/canvas blankets
- Vintage crosscut saws (check in with Nate)
- Tablet computers
- Hammocks – please email Amy Ansari, amy@wlr.org :)

Things we currently don't need:

- Books - we don't have capacity to manage a library, but you are welcome to offer them to staff you think might be personally interested. Local libraries also love donations.
- Trailers
- Office furniture
- Desktop computers/printers
- Used clothing – we're full up on loaner gear at this time. Please consider donating to your local thrift store or homeless shelter.
